### OUR VISION

We boldly provide quality care and health services to improve the lives of individuals and families.

### OUR COMMITMENTS

- We meet the needs and build upon the strengths of the individuals we serve to better our communities.
- We put our community and relationships with our staff, individuals we serve, and partners - first.
- We listen and respond proactively to our community partners, individuals, and each other.

### OUR VALUES

#### Compassionate

- We nurture individuals in their healing journey.
- We make every effort to be respectful, kind, present, and helpful.

#### Intentional

- We go the extra mile, inspiring others through our actions.
- We are deeply committed to the work of helping others on their healing journey.
- We advocate for the individuals we serve and our staff to reach their healthiest potential.

#### Resilient

- We draw from our internal and external strengths to bounce back from and adapt to change.
- We change and grow with the needs of our communities.
